

Owl City "Kamikaze"

The princess in her flower bed
Pulled the jungle underground
Where cherry bombs stained the blackbirds red
And explosions never make a sound

Oh comet, come down
Kamikaze over me
And I come alive
My midnight melody
Oh comet, come down

My captain on a snowy horse
Is coming back to take me home
He's coming back to take me home
I'm finally fighting back a terrible force
'Cause I'm not afraid to die alone

Oh comet, come down
Kamikaze over me
And I come alive
My midnight melody

Oh comet, come down
Kamikaze over me
And I come alive
My midnight melody
Oh comet, come down

Oh comet, come
Oh comet, come down

Break down the open road
Maybe I'll ride
And fight back the overtop
To save my life

Bring in the amber glow
Maybe I'll fly
And go where you wanna go
With your eagle eye

Break down the open road

Maybe I'll ride
And fight back the overthrow
To save my life

Bring in the amber glow
Maybe I'll fly
And go where you wanna go
With your eagle eye

Eagle eye, eagle eye
Eagle eye, eagle eye
Eagle eye, eagle eye

Eagle eye, eagle eye
Eagle eye, eagle eye
Eagle eye, eagle eye
