Breathe and I'll carry you away into the velvet sky
And we'll stir the stars around and watch them fall
away
Into the Hudson Bay and plummet out of sight and
sound
The open summer breeze will sweep you through the
hills
Where I live in the Alpine heights
Below the northern lights I spend my coldest nights
alone awake
And thinking of the weekend we were in love
(The weekend we were in love)

Home among these mountain tops can be so awfully
dull
A thousand miles from the tide
Put photos on the walls of New York shopping malls
Distract me so I stay inside
I wish the rocket stayed over the promenade 'cuz I
would make a hook
And I fish them from the sky
My darling she and I were hanging on so take us high
To sing the world goodbye

I am floating away lost in a silent ballet
I'm dreaming you're out in the blue and I am right
beside you

Awake to take in the view
Late nights and early parades
Still photos and noisy arcades
My darling we're both on the wing
Look down and keep on singing and we can go
anywhere

Are you there
(Are you there)
(Are you there)
(Are you there)

Are you there
(Are you there)

(Are you there)
(Are you there)

Or are you just a decoy dream in my head
Am I home or am I simply tumbling out alone

I am floating away
(Floating away)
Lost in a silent ballet
(Silent ballet)
I'm dreaming you're out in the blue and I am right
beside you
Awake to take in the view

Late nights and early parades
(Early parades)
Still photos and noisy arcades
(Noisy arcades)
My darling we're both on the wing look down and keep
on singing
And we can go anywhere

Are you there
(Are you there)
(Are you there)
(Are you there)

Are you there
(Are you there)
(Are you there)
(Are you there)
