Hello Seattle, I am a mountaineer  
In the hills and highlands  
I fall asleep in hospital parking lots  
And awake in your mouth

Hello Seattle, I am a manta ray  
Deep beneath the blue waves  
I'll crawl the sandy bottom of Puget Sound  
And construct a summer home

Hello Seattle, I am the crescent moon  
Shining down on your face  
I will disguise myself as a sleeping pill  
And descend inside of you

Hello Seattle, I am a cold seahorse  
Feeling warm in your sand  
I sink about the tide and the ocean surf  
Rolling in the evening breeze

Hello Seattle, I am an albatross  
On the docks and moored boats  
I sail above your inlets and interstates  
Through the rain and open wind

Hello Seattle, I am an old lighthouse  
Throwing beams of bright light  
Red in the morning, blue in the evening sun  
Taking heed for everyone

Hello Seattle, I am a mountaineer  
In the hills and highlands  
I fall asleep in hospital parking lots

Take me above your light  
Carry me through the night  
Hold me secure in flight  
Sing me to sleep tonight

Take me above your light (Hello Seattle, I am a  
mountaineer)  
Carry me through the night (In the hills and highlands)

Hold me secure in flight (I fall asleep in hospital  
parking lots)  
Sing me to sleep tonight
