I opened my eyes last night and saw you in the low light  
Walking down by the bay, on the shore,  
Staring up at the planes that aren't there anymore.  
I was feeling the night grow old and you were looking  
so cold  
So like an introvert, I drew my over shirt  
Around my arms and began to shiver violently before  
You happened to look and see the tunnels all around  
me,  
Running into the dark underground,  
All the subways around create a great sound  
To my motion fatigue farewell  
With your ear to a seashell  
You can hear the waves in underwater caves  
As if you actually were inside a saltwater room

Time together is just never quite enough  
When you and I are alone, I've never felt so at home  
What will it take to make or break this hint of love?  
We need time, only time

When we're apart whatever are you thinking of?  
If this is what I call home, why does it feel so alone?  
So tell me darling, do you wish we'd fall in love?  
All the time, all the time

Can you believe that the crew has gone and wouldn't  
let me sign on?  
All my islands have sunk in the deep,  
And I can hardly relax or even oversleep  
I feel as if I were home some nights  
When we count all the ship lights  
I guess we'll never know why sparrows love the snow  
We'll turn off all of the lights and set this ballroom  
aglow

So tell me darling do you wish we'd fall in love  
All the time

Time together is just never quite enough  
When you and I are alone, I've never felt so home  
What will it take to make or break this hint of love?

We need time, only time

When we're apart whatever are you thinking of?  
If this is what I call home, why does it feel so alone?  
So tell me darling, do you wish we'd fall in love?  
All the time, all the time

Time together is just never quite enough,  
When we're apart whatever are you thinking of?  
What will it take to make or break this hint of love  
So tell me darling, do you wish we'd fall in love?

All the time
