It's in the life that we lead.
Set up for money and greed.
As if it isn't enough,
We have to use it all up.
Success. Excess. The truth is inconvenient.

All in your head, the reasons; let us forget.
You kept your pride in this land.

How could you think nothings wrong?
You won't be smiling for long.
When it's all gone, gone, we can never go back.

Gone into the end, at my spend,
Watching the rain come down.
Turn your head away, ignore the fear.
Watching the ice crash down.

How 'bout a justice exposure,
How could you screw us all over?
Rape, steal, and murder,
Got us the Almighty Dollar.
The Almighty Dollar.

Poison the air that we breathe.
Change your industrial need.
Destroy the soul that you steal, the radiation is real.
Beat fate, too late, you built and fueled the fire.

You killed my fate, my whole earth desecrate.
Deceived the whole human race.
I know you seen nothings wrong.
We won't be breathing' for long.
When it's all gone, gone,
We can never go back.

Gone into the end, at my spend,
Watching the rain come down.
Turn your head away, ignore the fear.
Watching the ice crash down.

How 'bout a justice exposure?,

How could you fuck us all over?
Rape, steal, and murder,
Got us the Almighty Dollar.
The Almighty Dollar.

(Guitar)

Dead human disaster.
The point of no return.
No thing like ever after.
Is it too late to learn?

Gone into the end, at my spend.
Watching the rain come down.
Turn your head away, ignore the fear,
Watching the ice crash down.

How 'bout it's just an exposure?
How could you fuck us all over?
Rape, steal, and murder, got us the Almighty Dollar.
The Almighty Dollar.
