I get up and I get down
I don't know how to take it
All the pain makes me scream and shout
I wonder if I'll make it

I love the feeling when the magic is just right
There's no revealing what is hidden in the night

Riding on a train I can't control
No one else to blame and I can't let go

In the darkness I can feel
The things tht makes me crazy
Hands of madness cold as steel
I find it quite amazing

Never forsaking what a dreamer needs to know
Rules meant for breaking and the seeds I have to sow

Riding on a train that I can't control
No one else to blame but I can't let go
It's calling me, it's calling me
It's calling me, it's calling me
I'm riding on a train that I can't control

See no evil, fear no fright
Never lose the feeling
Keep the targets in your sight
Know the cards you're dealing

Never forsaking what a dreamer needs to know
Rules meant for breaking and I gotta let, I gotta let go

I'm riding on a train I can't control
No one else to blame but I can't let go
It's calling me, it's calling me
It's calling me, it's calling me
I'm riding on a train that I can't control
