

Ozzy Osbourne "Believer"

Visit "[Believer](#)" on MotoLyrics.com

Watching the time go and feeling belief grow
Rise above the obstacles
People beseech me but they'll never teach me
Things that I already know (I know)

Dreams that have shattered may not have mattered
Take another point of view
Doubts will arise though like chasing a rainbow
I can tell a thing or two (That's true)

You've got to believe in yourself or no one
Will believe in you

Imagination like a bird on the wing
Flying, free for you to use (O.K. baby)

I can't believe they stop and stare
And point their fingers doubting me
Their disbelief suppresses them
But they're not blind it's just that they won't see

I'm a believer, I ain't no deceiver
Mountains move before my eyes
Destiny planned out I don't need no handout
Speculation of the wise
