What is this that stands before me  
Figure in black which points at me  
Turn 'round quick and start to run  
Find out I'm the chosen one

Oh, no

Big black shape with eyes of fire  
Telling people their desire  
Satan sitting there, he's smiling  
Watches those flame get higher and higher

Oh, God--please help me  
Oh, no--no

Child cries out for it's mother  
Mother screaming in the fire  
Satan points at me again  
Opens the door to push me in

Oh, no  
Oh, God

Is it the end my friend  
Satan's coming 'round the bend  
People running 'cause they're scared  
You people better go and beware

No, no  
Please, God--no
