Your comin' home
There's blood on the walls
When charlie and the family made house calls
If you're alone
Then watch what you do
'cos charlie and the family might get you, yeah

Chorus:
Can you hear them
In the darkness
Helter skelter
Spiral madness, yeah
Bloodbath in paradise, but there's no where you can
run
to baby
Bloodbath in paradise - forever sleep in Paradise.

California sun
But you're still in bed
And the California rain is turning red
No sign of life

Or the keepers of doom
In charlie and the keeper's scarlet room, yeah

Chorus

They'll summon you
To wake from the dead As you lie bleeding, murdered
in
your bed
The sweetest dreams are all in your mind
But no one wakes when charlie creeps behind, yeah

Execution
Halts your breath
Helter skelter
Spiral death, yeah

Bloodbath in paradise, but there's no way you can wake
now, baby
Bloodbath in paradise - forever sleep in paradise
