

Ozzy Osbourne "Civilize The Universe"

Visit "[Civilize The Universe](#)" on MotoLyrics.com

Found exploding, and tears are growing,
Chasing rockets and grasping my head.
They can call it justice, a retribution,
But the reasons are never clear.

Freedom is just Mens' invention,
And a soldier is just a slave.
Self inflicted. So addicted,
Our habits are hard to break.

I'm alive.
Watching better turn to worse.
(Watching better turn to worse)
One more time.
Try to civilize the Universe.
(Civilize the Universe).

Without the righteous,
Without the faithful,
We would never accept the obscene.

Our worst confession, and priest's obsession
Is the demon the light to be seen.
Burn the witch and hang his head as,
There's only one choice to be made.
With thought restricted,
And heart afflicted,
The truth be so hard to take.

I'm alive.
Watching better turn to worse.
(Watching better turn to worse)
One more time,
Try to civilize the Universe.
(Civilize the Universe).
The righteous and the faithful,
Give the good man to the blind.
The world full of confusion,
From every disease confined.

(Guitar solo)

I'm alive.
Watching better turn to worse.
(Watching better turn to worse)
One more time,
Try to civilize the Universe.
(Civilize the Universe).
I'm alive.
Watching better turn to worse.
(Watching better turn to worse)
One more time, try to civilize the Universe.
(Civilize the Universe).

Tr to civilize the Universe.
(Civilize the Universe).
