Watching blood stained windows
He must just love the pain
See the children crying
His mother's died again
Dig her grave much deeper
The fatal price she paid
I hope I'm here to hold her
When she comes back again

I see the death and the disaster
There is no happy ever after
The time has come
Countdown's begun

Countdown's begun

Is the armageddon
Finally here at last?
You may see the mushroom
But you won't hear the blast
Don't need a self made prophet

Don't need a holy war
Don't need another leader
To even up the score

I'm cursed with living on a fault line
The doomsday clock was made by mankind
No place to run
Countdown's begun

Countdown's begun
Countdown's begun

[SOLO]

I see the death and the disaster
There is no happy ever after
The time has come
Countdown's begun

Countdown's begun

Countdown's begun
Countdown's begun
Countdown's begun
Countdown's begun
