Give me your money,
I'll sell you my vote,
I promise I'll save you,
While I'm cutting your throat

You want to feel pleasure,
Look into my eyes,
I'm gonna swear on the bible
While I'm feeding you lies

My touch thickens your blood,
I know the things that you love,
My voice swallows the purest heartbeat

I'm your counterfeit friend,
I'll still be here 'til I crucify you,
I crucify you again

Give me your heroes,
Your sinners and saints,
A little temptation
Is all that it takes

I've been here forever,
I'm your oldest friend,
Until I pull on the trigger,

The fun never ends

My touch thickens your blood,
I know the things that you love,
My voice swallows the purest heartbeat

I'm your counterfeit friend,
I'll still be here 'til I crucify you,
I crucify you again

I've been around here for a long, long time,
I'll be around until your soul is mine,
Until your soul is mine

My touch thickens your blood,

I know the things that you love,
My voice swallows the purest heartbeat

I'm your counterfeit friend,
I'll still be here 'til I crucify you,
I crucify you again
