Today is the only day
Toady has to be the day
Toady will be the day
That the fickle facination gets a hold of me

What the fuck
What the fuck
What the fuck has it done to me

Tomorrow is the only day
Tomorrow has to be the day
Tomorrow will be the day
The the fickle facination gets a hold of me

What the fuck
What the fuck
What the fuck has it done to me

The day grows old
And my eyes grow tied
Ive seen the worst and all the best
Today i know that ive past the test

What the fuck
What the fuck
What the fuck has it done to me

What the fuck has it done to me (x5)
