Something's happening here
What it is ain't exactly clear
There's a man with a gun over there
Telling me I got to beware

I think it's time we stop
Children, what's that sound?
Everybody look what's going down

Battle lines bein' drawn
Nobody's right if everyone's wrong
People speaking their minds
Getting so much resistance from behind

Yeah, stop, children, what's that sound?
Everybody look what's going down
Stop, hey, what's that sound?
Everybody look what's going down

What a field day for the heat
Ten thousand people in the street
Singing songs and carrying signs
Mostly say, "Hooray for our side!"

I think it's time we stop
Children, what's that sound?
Everybody look what's going down
Stop, hey, what's that sound?
Everybody look what's going down

Paranoia strikes deep
Into your life it will creep
It starts when you're always afraid
Step out of line, the man's coming to take you away

Yeah, stop, children, what's that sound?
Everybody look what's going down
Stop, hey, what's that sound?
Everybody look what's going down

Stop, hey, what's that sound?
Everybody look what's going

You better stop

Stop

You better stop

Stop

You better stop
