[Moody Blues cover]

We've already said goodbye
Since you gotta go, oh you better
Go now, go now, go now, go now
Go, before you see me cry
I don't want you to tell me just what you intend to do
now
'cause how many times do I have to tell you darlin',
I'm still in love with you now
Whoa-oh-oh-oh

We've already said so-long
I don't wanna see you go, oh you better
Go now, go now, go now, go now
Don't you even try
Tellin' me that you don't want me to end up this way

'cause darlin', darlin', can't you see I want you to stay,
stay

We've already said goodbye
Since you gotta go, oh you better
Go now, go now, go now, go now
Go, go!

I don't want you to tell me just what you intend to do
now
'cause how many times do I have to tell you darling,
I'm still in love still in love with you now

I don't wanna see you go but darling, you better go now
