I don't know what they're talking about
I'm making my own decisions
This thing that I found
Ain't gonna bring me down
I'm like a junkie without an addiction

Mama don't cry
I just wanna stay high
Like playing with danger or fear
Everybody's walking but nobody's talking
It looks a lot better from here

All my life I've been over the top
I don't know what I'm doing,
All I know is I don't wanna stop
All fired up, I'm gonna go till I drop
You're either in or in the way, don't make me,
I don't wanna stop

Why don't they ever listen to me?
Is this a one-way conversation?
Nothing they say is gonna set me free
Don't need to make no reservations

Too many religions for only one god
I don't need another savior
Don't try to change my mind
You know I'm one of a kind
Ain't gonna change my bad behavior

All my life I've been over the top

I don't know what I'm doing,
All I know is I don't wanna stop
All fired up, I'm gonna go till I drop
You're either in or in the way, don't make me,
I don't wanna stop

All my life I've been over the top
I don't know what I'm doing,
All I know is I don't wanna stop
All fired up, I'm gonna go till I drop

You're either in or in the way, don't make me,
I don't wanna stop

I don't wanna stop
I don't wanna stop
I don't wanna stop
I don't wanna stop

All my life I've been over the top
I don't know what I'm doing,
All I know is I don't wanna stop
All fired up, I'm gonna go till I drop
You're either in or in the way, don't make me,
I don't wanna stop

All my life I've been over the top
I don't know what I'm doing,
All I know is I don't wanna stop
All fired up, I'm gonna go till I drop
You're either in or in the way, don't make me,
I don't wanna stop
