Standing on the crossroads, world spinning round and round

Know which way I'm going, you can't bring me down

Don't you try and teach me no original sin

I don't need your pity for the shape I'm in

I don't wanna change the world

I don't want the world to change me

I don't want to change the world

I don't want the world to change me

Tell me I'm a sinner, I got news for you

I spoke to God this morning and he don't like you

You telling all the people the original sin

He says, he knows you better than you'll ever know him

I don't wanna change the world

I don't want the world to change me

I don't want to change the world

I don't want the world to change me

You know it ain't easy

You know it ain't fair

So don't try to please me

Because I really don't care

Don't tell me stories 'cause yesterday's glories

Have gone away, so far away

I've heard it said there's a light up ahead

Lord I hope and pray, I'm here to stay

Tell me I'm a sinner, I got news for you

I spoke to God this morning and he don't like you

Don't you try and teach me no original sin

I don't need your pity for the shape I'm in

I don't wanna change the world

I don't want the world to change me

I don't want to change the world

I don't want the world to change me

I don't wanna change the world

I don't want the world to change me
I don't want to change the world
I don't want the world to change me
