It Starts with one thing
I don't know why
It doesn't even matter how hard you try
Keep that in mind, I designed this rhyme
To explain in due time
All I know
Time is a valuable thing
Watch it fly by as the pendulum swings
Watch it count down to the end of the days
The clock ticks life away
It's So Unreal

Didn't look out below
Watch the time go right out the window
Trying to hold on
But didn't even know
I wasted it all just to watch you go..
I kept everything inside
And even though I tried, It all fell apart
What it meant to me will eventually be a memory of a
time when

I tried so hard, and got so far, but in the end it doesn't
even matter,
I had to fall, to lose it all, but in the end, it doesn't even
matter...

One thing
I don't know why
It doesn't even matter how hard you try
Keep that in mind
I designed this rhyme
To remind myself how I tried so hard
In spite of the way you were mocking me
Acting like I was part of your property
Remembering all the times you fought with me
I'm surprised it got so far
Things aren't the way they were before
You wouldn't even recognize me anymore
Not that you knew me back then
But it all comes back to me in the end
I kept everything inside and even though I tried, it all

fell apart
What it meant to me will eventually be a memory of a
time when

I tried so hard, and got so far, but in the end it doesn't
even matter,
I had to fall, to lose it all, but in the end, it doesn't even
matter...

I put my trust in you
Pushed as far as I could go
For all this, there's only one thing you should
know...(2x)

I tried so hard, and got so far, but in the end it doesn't
even matter,
I had to fall, to lose it all, but in the end, it doesn't even
matter...(2x)
