I watch it all change  
Take the news of the day  
And throw it away

Time will kill all the pain  
Fate will cure the decay  
Of all this blind ambition  
The greed brings us together

Stay strong  
Stay true  
Be brave  
It all comes down to you

Try to just let it go  
Know that justice moves slow  
But it comes in the end

Rise, the guilty will fall  
Stay, they can't take it all  
They want the unimportant  
It's love they leave behind

Stand up  
Aim true  
Keep heart  
The future looks to you

Every second you throw away  
Every minute of everyday  
Don't get caught in a memory  
'Cause life won't wait for you  
No, life won't wait for you, my friend

I am watching the change  
Who will carry the flame?  
It all feels very strange

Dreams that mean can be good  
Faith to live as we should  
And know we're all connected  
We give ourselves the power

Stay strong  
Stay true  
Be brave  
It all comes down to you

Everyday that you wait  
You're falling faster  
No slight of hand, no twist of fate  
No ever after

When it's gone, it's gone  
A fight 'til the bitter end  
Life won't wait for you  
No, life won't wait for you, my friend

Life won't wait for you, my friend  
Life won't wait for you, my friend  
Life won't wait for you, my friend  
Life won't wait for you, my friend
