times have changed and times are strange
here I come but I aint the same
mama I'm comin' home
Times go by it seems to be
you could have been a better friend to me
Mama i'm comin' home
You took me in and you drove me out
you had me hypnotized yeah
lost and found and turned around by the fire in your
eyes
you made me cry you told me lies
but I can't stand to say goodbye
mama I'm comin' home
I cold be right I could be wrong
It hurts so bad it's been so long
mama I'm comin' home
selfish love yeah were both alone
the ride before the fall yeah
but I'm gonna take this heart of stone I just got to have
it all
I've seen your face a hundred times
every day we've been apart
I don't care about the sunshine yeah
CHORUS: 'cause mama mama I'm comin' home
I'm comin' home
you took me in and you drove me out
you had me hypnotized yeah
lost and found and turned around
by the fire in your eyes
I've seen your face a thousand times
every day we've been apart
I don't care about the sunshine yeah
CHORUS 2 times
