Don't tell me I'm wrong.
Don't tell me that you knew all along.
I won't run over death.
Only I know what goes on in my head.

I've got nothing to hide,
I'm not guilty inside.
I won't give up,
After all I'm still crazy.

I'm not going away.
I'm not going..
You tried so hard to break me,
But all your diamonds turn to sand.

I'm not going away.
I'm not going..
Say goodbye forever,
I'll wait for you in no man's land.

Get out of my way.
There's nothing you can do to change what I say.
I won't ever let go.
I've got the answer,
But you'll never know.
I got my eyes opened wide,
Ain't gonna slip up or slide,
Can't take me down,
After all I'm still crazy.

I'm not going away.
I'm not going..
You tried so hard to break me,
But all your diamonds turn to sand,

I'm not going away.
I'm not going..
Say goodbye forever,
I'll wait for you in no man's land.

(Guitar)

I'm not going away.
I'm not going away.
I'm not going away.
I'm not going away.
I'm not going away.
I'm not going away.
I'm not going away.
I'm not going away.
I'M NOT GOING AWAY!
I'm not going..
Tried so hard to break me,
But all your diamonds turn to sand.

I'm not going away.
I'm not going..
Say goodbye forever,
I'll wait for you in no man's land.

I'm not going away
I'm not going away
I'm not going away
I'm not going..
Say goodbye forever,
I'll wait for you in no man's land.
