A psycho driver twisted in my head
Silence broken, but there's nothing said
I got a nightmare from a fantasy
Will the voices ever set me free

[CHORUS:]

I can hear 'em, I can hear 'em
Someone wake me when it's over
I can see 'em, I can see 'em
I can see 'em over and over again

I saw it happening like deja-vu
They tried to tell me, but they couldn't get through
In my head I hear the voices scream
I need someone to tell me what it means

[CHORUS]

Whoa--Who turned off the lights?
Whoa--A shadow in the night
Whoa--It wasn't meant to be
I can't take this alone
Don't leave me on my own tonight
No, no I can't take it alone
Don't leave me on my own tonight

Shattered dreams lay next to broken glass
I wonder if tonight will be my last
I need an angel who can rescue me
To save me from my mental symphony

[CHORUS]

Whoa--Who turned off the lights?
Whoa--Shadows in the night
Whoa--It wasn't meant to be
I can't take this alone
Don't leave me on my own tonight
No, no I can't make it alone
Don't leave me on my own tonight

Yeah
