All these tears I cry
Don't you wonder why
Is it all a dream?
Never what it seems

Get under my skin
Should I let you in?
Don't you think it's bad
To give me something that I've never had

Every word I say
Everytime I pray
Look into my eyes
Distant voices cry
Is the light in me
Tell me what you see
You weren't what I had

Can't get something that I've never had
Can't get something that I've never had

Should I think tomorrow?
Ohhhh

Should I live for just today?
Take the light that burns inside you
Let it burn away
Let it burn away
Let it burn away

Will I see the day?
Will I have to pay?
What's inside of me?
You will never see

Won't you let me in?
Don't you let me see?
Do you think I'm mad?
Cause I want something that I've never had
Cause I want something that I've never had

Give me something that I've never had

Give me something that I've never had
