

Ozzy Osbourne "Steal Away"

Now I feel the time is right
Love will flow like wine tonite
Give your love and it will come to you
If you feel that you and me
Could escape and hold the key
To a paradise that's true and free

Chorus:
Steal away, steal away
Steal away--the night
You gotta steal it
C'mon baby

Now I've met your honesty
You are here and I am free
Broken chains have fallen all around
Point my finger at the fools
Broken chains and broken rules
Let it be rebellion rules tonite

Chorus:
Steal away, you gotta steal away
Steal away--the night

Solo

Can it be a dream come true
Now that I am here with you
Tearful eyes of joy is something new
Runaway with me tonight
Dream the dream and light the light
Happiness is what you give to me
Ooooooh yeah!!

Chorus:
Steal away, steal away
You gotta steal away--the night
(3 times)
