ALRIGHT NOW!!
Won't you listen?

When I first met you, didn't realize
I can't forget you, for your suprise
you introduced me, to my mind
And left me wanting, you and your kind
Oh yeah!

I love you, Oh you know it

My life was empty forever on a down
Until you took me, showed me around

My life is free now, my life is clear
I love you sweet leaf, though you can't hear
Oh yeah!

Come on now, try it out

Straight people don't know, what your about
They put you down and shut you out
you gave to me a new belief
and soon the world will love you sweet leaf
Oh yeah baby!
