Well she's a mean hard woman and she knows what
she wants

She is my tattooed rock 'n' roll dancer
I'm under her thumb, tells me to come
Oh 'Hi' is the only way I can answer

They're gonna put me away
Put me away
God damn them

Well I can hear her comin' like a dog that's on heat
She never takes no for an answer
She's drivin' me mad she makes it good to be bad
My little tattooed rock 'n' roll dancer

They'll try to put me away
Put me away
God damn them

They'll never put me away
Put me away
God soul's on fire

Tattooed dancer
Dance for me bitch

I think I'm in great danger goin' over the top
There is no question, only an answer
She can't give me love, I think I've fallen in lust
With this tattooed rock 'n' roll dancer

They'll never put me away
Put me away
God damn them

They'll never put me away
Put me away
God soul's on fire

They'll never put me away
God soul's on fire
