

Ozzy Osbourne "The Liar"

You ask me the time of day
I tell you I don't know
In darkness I'm light years away
The voices come and go

Save me
All my life I've been a liar
Save me
All my life I've been a liar

Burning bridges in the rain
The crying embryo
I seem so blissfully insane
But still the pain won't go

Save me
All my life I've been a liar
Save me
All my life I've been a liar

Sacred words
The Angels wait for me
They'll set me free
But I can't see, the joke's on me

Babies crying
Other people's tears
And in their eyes
They have reflected wasted years

You ask me who I really am
I still say I don't know
The doors have all been tightly slammed
The poison seeds are sewn

Save me
All my life I've been a liar
Save me
All my life I've been a liar

Dying Angels
Falling from above

I've had enough
I cannot laugh the joke's on me

Shattered dreams you cannot realize
Won't sympathize, it's in your eyes
Why can't you see?
Am I the liar? Tell me who's the liar?
