How many times can they fill me with lies and listen
again
Twisting the truth and they're playn' around with my
head OK
The things they will do and the things they will say
When they don't really understand
Tears fill my eyes when I hear all the cries
For the reason today

And they don't really know even that they're talkin' a
bow
And I can't imagine what empty heads can achieve
Leave me alone don't want your promises no more
'cause rock'n'roll it's my believe to need my love
Won't ever change, may think it's strange
You can't kill rock'n'roll it's here to stay

Looking through eyes of time mirrors reflecting their
stories untrue
Promises, promises, telling me all of my glorios
overdue
How many times have I heard it before
And I'll probably hear it again
King of a thousand knights, pown in a table right
Losing to you

And they don't really know even that they're talkin' a
bow
And I can't imagine what empty heads can achieve
Leave me alone don't want your promises no more
'cause rock'n'roll it's my believe to need my love
Won't ever change, may think it's strange
You can't kill rock'n'roll it's here to stay

Even the rhumes that they give me in times of
confession
Ain't true
Out come is obvious all for them none for us meaning
you too

The things they will do and the things they will say

When they don't really understand
Fear of rejection I need their protection
I'm making and stand

And they don't really know even that they're talkin' a
bow
And I can't imagine what empty heads can achieve
Leave me alone don't want your promises no more-
acap
