Grab your coat, honey, grab your hat
This train is leaving and it ain't comin' back
Don't need a ticket, can't you understand
You're on your way to the promised land

It's overdue but now the time is right, yeah
It's up to you to make it real, so take me
Take me back to paradise
(Ooh)
Take me back to paradise
(Ooh)

Old Saint Peter at the Pearly Gate
Said, "Hurry up boy or you're gonna be late
Take your mind off your worries for a moment or two
You gotta rock to the rhythm, it ain't hard to do"

'Cause what you see I know you're gonna like, yeah
It's up to you to make it real, so take me
Take me back paradise, oh yeah
(Paradise)
(Ooh)
Take me back to paradise, oh yeah
(Paradise)
(Ooh)

Ooh when it's out of reach it's just another beach in
another town
You get your feet back on the ground
You worked all your life, you ain't satisfied with a thing
you've found
When will you realize it'll come around?

Pack your bags baby, get your things
You never know what tomorrow brings
Mind your step and watch what you say
Before you know you'll be on your way

It's overdue but now the time is right, yeah
It's up to you to make it real, so take me
Take me back to paradise, aah
(Paradise)

(Ooh)
Take me back to paradise
(Paradise)
(Ooh)

Take me back to paradise
(Paradise)
(Ooh)
Won't you take me back to paradise?
(Paradise)
(Ooh)
Oh, take me back to paradise
