Here it come, here it come
She'll make the hair rise on every inch of your skin
With a blink of an eye, she's out to do me in
She loves to play it rough, got me in the ropes

She's wearing my name in a blue tattoo
I couldn't run if I wanted to
I can't shake it, I can't shake it

She's a high maintenance unit
Never lets me down
Got diamonds on her stockings
No, she wears me out

Doctor says it's the worst case
He's ever seen, is that right, sir?
Well, ya know I ain't blind, baby
I can see

I can't get straight
For the life of me
I can't shake it, I can't shake it

She starts me up and turns me inside out
She's too hot a fire to ever put out, can't shake it
I can't shake it, oh, no
Bad she's wearing my name in a blue tattoo

Yeah, you look so good, baby, in those seven inch
heels
Across my back
She's so tough, the way she turns me 'round
Tears me up, never lets me down
Can't shake it

Well, she starts me up and turns me inside out
She's too hot a fire to ever put out, ah
I can't shake it, I can't shake it
You know what I'm talkin' about

I can't shake it
Is that right, baby?

I can't shake it, yeah
I can't shake it, I can't shake it

I can't shake it
Lookin' so fine, baby
I can't shake it, I can't shake it

No, no, no
I can't shake it
I can't shake it
