I got a room where I can breathe  
I got a view no one else can see  
Everybody here knows  
Just what's right for me

Don't have to worry  
The doctor's always in  
I'm never lonely  
I'm here with all my friends

In Chattahoochee  
I'm not crazy  
Chattahoochee  
I'm just lazy  
Chattahoochee  
Found my home  
In Chattahoochee

Out on the outside they sweat to pay the rent  
While we play cards, they say we ain't got no sense  
They think they have a good time  
Blowin' somethin' up their nose

Their corporate ladder  
Can kill you it's so high  
While it's a party  
Here on the other side

Chattahoochee  
I'm not crazy  
Chattahoochee  
I'm just lazy  
Chattahoochee  
Found my home  
In Chattahoochee

Who's to say who's crazy, it's easy to see  
All you've gotta do is turn on your TV  
All the people on the outside  
Tryin' to be someone else

I'm havin' fun here

Just bein' myself  
In Chattahoochee

They brought me here and said "You're so dangerous  
to yourself"  
But I ain't the one here out to blow us all to hell  
Just here to have a good time  
Let me know how it goes

Don't have to worry  
The doctor's always in  
I'd rather be here  
With all of my friends

In Chattahoochee  
I'm not crazy  
Chattahoochee  
I'm just lazy  
Chattahoochee  
Found my home  
In Chattahoochee

Chattahoochee  
Chattahoochee  
Chattahoochee
