I got a room where I can breathe  
I got a view, no one else can see  
Everybody here knows  
Just what's right for me

Don't have to worry, the Doctor's always in  
I'm never lonely, I'm here with all my friends

In Chattahoochee, I'm not crazy  
Chattahoochee, I'm just lazy  
Chattahoochee, found my home  
In Chattahoochee

Out on the outside they sweat to pay the rent  
While we play cards, they say we ain't got no sense  
They think they have a good time  
Blowin' somethin' up their nose

Their corporate ladder can kill you it's so high  
While it's a party, here on the other side

In Chattahoochee, I'm not crazy  
Chattahoochee, I'm just lazy  
Chattahoochee, found my home  
In Chattahoochee

Who's to say who's crazy, it's easy to see  
All you gotta do is turn on your T.V.  
All the people on the outside tryin' to be someone else  
I'm havin' fun here just bein' myself

In Chattahoochee

They brought me here and said  
"You're so dangerous to yourself"  
But I ain't the one here 'bout to blow us all to hell  
Just here to have a good time, let me know how it goes

Don't have to worry, the Doctor's always in  
I'd rather be here with all of my friends

In Chattahoochee, I'm not crazy

Chattahoochee, I'm just lazy  
Chattahoochee, found my home  
In Chattahoochee

Chattahoochee  
Chattahoochee  
Chattahoochee
