She won't let me be, I know her story
Born with a silver spoon in her mouth
The girl ain't used to doin' without, oh, no

She never lets her hair down
She's the sweetest thing to ever wear high heels
And drives the finest set of wheels but she

Don't wanna get it dirty
Won't take me for a ride
Don't wanna get it dirty
Don't wanna lose that shine

She likes to drive real fast
I like to make it last a long time
Never seen a girl who could talk so much
So educated but so outta touch, oh, yeah

She never lets her top down
She's the sweetest thing to ever wear high heels
And drives the finest set of wheels but she

Don't wanna get it dirty
Won't take me for a ride
Don't wanna get it dirty
Don't wanna lose that shine

Don't wanna get dirty
I'm out to change her mind

Let me behind the wheel, baby
I can drive it, just watch
Candy apple red so brand new
Just wanna see what it can really do
She says, "Don't wanna, don't wanna"

Don't wanna get it dirty
Won't take me for a ride
Don't wanna get it dirty
Don't wanna lose that shine

Good girls are hard to find

Don't wanna get it dirty
I'm out to change her mind
Listen to me, baby

Don't wanna get it dirty
Let's have some fun tonight
Don't wanna get it dirty
Let me take you for a ride

Don't wanna get it dirty
Don't wanna get it dirty
Let me shine it up baby
Make it look just a brand new

Yeah, you know what I'm talkin' about
Don't wanna get it dirty
Don't wanna get it dirty
Don't wanna get it dirty
