Faded curtains, faded moon, through a broken sky
Staring at a photograph, the ghost of you and I
Those were times, yeah, those were good times that
we shared
We thought those nights would never end

I should've seen it comin', runnin' with a fallen angel
Livin' on a broken promise when the day is through
Tryin' to make a life for us, I only knew it my way
I'm just a shadow on the highway, fade to blue
Fade to blue

I hear you cryin' in your sleep, I can feel it 'cross the
miles
Love unspoken runs so deep like the tears behind your
smile
Those were times, yeah, those were hard times that we
had
I'd even take them back again

Should've seen it comin', runnin' with a fallen angel
Livin' on a broken promise when the day is through
Oh, tryin' to make a life for us, I only knew it my way
Another shadow on the highway, fade to blue

I fade to, I fade to, I fade to blue
I fade to, I fade to, I fade to blue
Every night I fade to blue
I fade to, I fade to, I fade to blue
Every night I fade to blue

There'll be times, girl, there'll be good times on the
way
I'll always be comin' back again

Should've seen it comin', runnin' with a fallen angel
Livin' on a broken promise when the day is through
Oh, tryin' to make a life for us, I only knew it my way
Another shadow on the highway, I fade to blue

Oh, I fade to blue
I fade to blue

Fade to blue
Fade to blue
Fade to blue
