So many times I've played this game
I've been to the end
And then nothing at all
Nothing at all
Yes, I'm a sucker for a pretty face
The bigger they are the harder they fall
The harder they fall
Ooh I could try to hide this feeling,
But I'm not that kind of man
And I always said I'd catch myself
If I fall in love again

But, I fall back
Whenever I look at you
Ooh baby I fall back
It's hitting me like a bolt out of the blue
You got me doing just the thing
I swore I'd never do
Everytime I see your face girl,
I fall back

I got the fever, you're the remedy
Whatever you want from me it's all right
It's all right
Satisfaction guaranteed
No matter how much you need it's all right
That's all right
Ooh I could try to hide this feeling
But, I'm not that kind of man
And I always say I'll catch myself
If I fall in love again

But, I fall back whenever I look at you
Ooh girl I fall back
It's hitting me like a bolt out of the blue
You got me doing just the thing
I swore I'd never do
Everytime I see your face girl
I fall back

Yeah Yeah Yeah
I fall back whenever I look at you

Ooh baby I fall back
Its hitting me like a bolt out of the blue
You got me doing just the thing
I swore I'd never do
Everytime I see your face girl
I fall back

Ooh I fall back
I fall back
Whenever I look at you
I fall back
Yeah whenever I see your face
Girl I fall back
Whenever I look at you
I fall back
Whenever you take my hand
I fall back
Whatever you want from me
I fall back
Ooh I'm falling
