Now some guys,
They wanna run around.
Playin loose, playin fast,
Out there in every town.
But this guy,
I'll be satisfied
With that certain kind o' look
In the corner of her eye.
I'm findin' my direction and I know what counts,
Got my wild side just for one.
I'll give her my affection, never let her down
When the right girl comes along.

I don't ask much
From this big wide world.
Just wanna make a difference
To just one girl.
I don't care
How this whole plan works,
If I can make a difference in the life
Of Just One Girl.

Now the last time
I was losing the race
For the biggest payoff
Lookin' in the wrong place.
But this time,
Now I know what I feel.
Got a handle on it.
Now I'm livin' it real.
There's been so many others,
So many empty nights.
That was never me anyway.
It was just a lonely boy
Who was lookin for his life.
If you're out there
I'm here to say...

I don't ask much
From this big wide world.
Just wanna make a difference
To just one girl.

I don't care
How this whole plan works,
If I can make a difference in the life
Of Just One Girl.

Here's hopin' that this message will find you.
Don't miss it, in a flash it may blind you.
I don't ask much,
Don't wanna change the world.
I just wanna make a difference
To Just One Girl.
Hey!

I don't ask much
From this big wide world.
Just wanna make a difference
To just one girl.
I don't care
How this whole plan works,
If I can make a difference in the life
Of Just One Girl.
Just One Girl.
Mm yeah.
If I can make a difference in the life
Of just one girl.

Just One Girl.
Just One Girl.
If I can make a difference,
Mmm,
To Just One Girl.
Oh yeah, yeah, yeah,
Gimme just one girl.
Just One Girl.
(repeats and fades)
