I've been waitin' for you all night  
I've got somethin' to say so listen good  
Even fools can see the light  
You should have known I would

'Cause I, I've been a desperate man  
Wonder why I don't understand?  
All the pain, that I feel,  
With every piece of my heart that you steal

'Cause it's the last time  
You'll never get another chance again  
It's been a fine line, the feeling's over  
And I can't pretend, it's the last time

I heard talkin', I guess it's true  
You were wrong, I can see it in your eyes  
Now it's down to me and you  
So where're you gonna hide?

'Cause I, I've been a desperate man  
Wonderin' why, why you don't understand?  
All the pain, that I feel  
With every piece of my heart that you steal

'Cause it's the last time  
You'll never get another chance again  
It's been a fine line  
The feeling's over and I can't pretend, no

you think I believe all your lies?  
I handed my heart to you  
I should have known it was wrong  
Right from the start 'cause now it's time to say goodbye

Baby it's the last time  
You'll never get another chance again  
It's been a fine line  
The feeling's over and I can't pretend

Baby it's the last time  
You'll never get another chance again

It's been a fine line, the feeling's over  
And I can't pretend, it's the last time
