It's been rainin' so hard
Been lonely so long
'Til you reached in the dark
I never thought you'll find me

But now I walk in the light
Wherever I go I wanna feel the strength
Watch it unfold, share it all with you
There's one thing that I know, yea

It runs deep, when love strikes
It hits so hard, stops you dead in your tracks
It takes over from inside, when love strikes

It's spreading like fire
My heart's melting like ice
It's lightnin' travelin' on wire
Hit me straight between the eyes, yea

I wanna take it tonight as far as it goes
I wanna feel the strength
Watch it unfold, share it all with you
There's one thing that I know, yea

It runs deep, when love strikes
It hits so hard, stops you dead in your tracks
It takes over from inside, when love strikes

Na, na, na, na, na, na
Na, na, na, na, na, na
Na, na, na, na, na, na
When love strikes

Na, na, na, na, na, na
Na, na, na, na, na, na
Na, na, na, na, na, na
Na, na, na, na, na, na
Na, na, na, na, na, na
Na, na, na, na, na, na
Na, na, na, na, na, na

It runs deep, when love strikes

It hits so hard, stops you dead in your tracks
It takes over from inside, when love strikes
You may not recover, you know it's right
When love strikes

Na, na, na, na, na, na
Na, na, na, na, na, na
(When love strikes)
Na, na, na, na, na, na
Na, na, na, na, na, na
(When love strikes)
Na, na, na, na, na, na
(When love strikes)
