Since you been gone
I feel my life slipping away
I look to the sky
And everything is turnin' gray

All I made was one mistake
How much more will I have to pay
Why can't you think it over
Why can't you forget about the past

When love makes this sound babe
A heart needs a second chance
Don't put me down babe
Can't you see I love you

Since you been gone, I've been in a trance
This heart needs a second chance
Don't say it's over
I just can't say goodbye

So this is love
Standing in the pouring rain
I fooled on you
But she never meant a thing

And I know I ain't got no right
To ask you to sympathize
But why can't you think it over
Why can't you forget the past

When love makes this sound babe
A heart needs a second chance
Don't put me down babe
Can't you see I love you

Since you been gone, I've been in a trance
This heart needs a second chance
Don't say it's over
I just can't say goodbye

I never loved her, I never needed her
She was willing and that's all there is to say

Don't forsake me, please don't leave me now

A heart needs a second chance

Yeah, you been gone and I've been in a trance

This heart needs a second chance

Don't say it's over

I just can't say goodbye

Please forgive me and forget it

I was wrong and I admit it

But why can't we talk it over

Why can't we forget about

Forget about the past

A heart needs a second chance

When love makes this sound babe

A heart needs a second chance

Don't put me down babe

You been gone, I've been in a trance

This heart needs a second chance

Don't say it's over

I just can't say goodbye

A heart needs a second chance

When love makes this sound babe

A heart needs a second chance

A heart needs a second chance

When love makes this sound babe

A heart needs a second chance

A heart needs a second chance

A heart needs a second chance

A heart needs a second chance
