Just when I thought I finally learned my lesson well  
There was more to this than meets the eye  
And for all the things you taught me, only time will tell  
If I'll be able to survive, oh yeah

Teacher, teacher can you teach me?  
Can you tell me all I need to know?  
Teacher, teacher can you reach me?  
Or will I fall when you let me go? Oh, no

Am I ready for the real world? Will I pass the test?  
You know it's a jungle out there  
Ain't nothin' gonna stop me, I won't be second best  
But the joke's on those who believe the system's fair,  
oh yeah

Teacher, teacher can you teach me?  
Can you tell me if I'm right or wrong?  
Teacher, teacher can you reach me?  
I wanna know what's goin' on, oh yeah

So the years go on and on but nothing's lost or won  
What you learn is soon forgotten  
They take the best years of your life  
Try to tell you wrong from right  
But you walk away with nothing, oh oh

Teacher, teacher can you teach me?  
Can you tell me all I need to know?  
Teacher, teacher can you reach me?  
Or will I fall when you let me go?

Teacher, teacher can you teach me?  
Can you tell me if I'm right or wrong?  
Teacher, teacher can you reach me?  
I wanna know what's goin' on, oh

Teacher, teacher, can you teach me?  
Teacher, teacher, can you reach me?  
Teacher, teacher, can you teach me?  
Teacher, teacher, oh yeah

Teacher, teacher  
Teacher, teacher
