Billy's got a fast car
You know he works it so hard, 'cause he
Knows it's gonna take him real far tonight

Betty wears her short dress
Loves to be the actress
Lord, it could get reckless tonight

But then a cop pulls 'em over to interrogate
He flashes his lights and gets it in their face
And says "Where do you think you're goin'?"

What's it to ya?
We were only takin' in the sights
What's it to ya?
Can a couple of kids have fun tonight?

Sounds good to me

Johnny plays it so loud
Hangs out with the wrong crowd
Well he plans to make his guitar, his life

Judy's acting so sweet
But like little Miss Molly
Ya know she loves to dance and shake it all night

But when he brings her home she's four hours late
Her parents scream, it's your last mistake
What have you been doin'?

What's it to ya?
We were only takin' in the sights
What's it to ya?
Can a couple of kids have fun tonight?
Heyoo tonight

Have some fun tonight
Come on in
Woo
I'm rocking now, woo

Have some fun tonight

What's it to ya?

We were only takin' in the sights

What's it to ya?

Can a couple of kids have fun tonight?

What's it to ya?

Hey

What's it to ya?

The kids are gonna rock tonight

That's right, babe

All night, all night, all night

We'll have some fun tonight
