I'd crawl a mile,
I'd climb the highest hill.
To bring you back to
A life that's real
You burned your mind out,
With your foolish games
May you lie there helpless,
Will you ever be the same.

You're the captain,
The leader of your ship.
Don't get captured (captured),
Cause you just might never quit.
You're the captain,
I hope you realize,
Don't be a fool,
Better open up your eyes.

I've traveled this world,
I've seen most of it.
I've seen the best ones
Go down with the ship.
Fortune and fame,
They don't mean a thing.
When you're hooked on junk,
That's your only game.

You're the captain,
The leader of your ship.
Don't get captured (captured),
Cause you just might never quit.
You're the captain,
I hope you realize,
Don't be a fool,
Better open up your eyes.

Just a part of life,
That we all must go through.
Gettin' high with friends,
Was all in being cool.
Hope you never see, this misery.
A prisoner by drugs

With no right to be free.

You're the captain,
The leader of your ship.
Don't get captured (captured),
Cause you just might never quit.
You're the captain,
I hope you realize,
Don't be a fool,
Better open up your eyes.

You're the captain,
The leader of your ship.
Don't get captured (captured),
Cause you just might never quit.
You're the captain,
I hope you realize,
Don't be a fool,
Better open up your eyes.
