

## After Crying "Energize Me"

Visit "[Energize Me](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Energize me with a simple touch  
Or with an open heart  
Energize me, fire up this flame  
That's burning between us

It's not a fantasy, another mystery  
It's just what I can feel, it's something I can see  
It's like a memory, an inner melody  
It's just what we all know, and we all hear

I was blind, I was closed down  
Could not feel or set it free

Energize me with a simple touch  
Or with an open heart  
Energize me, fire up this flame  
That's burning between us

It lies in everyone  
This whirling energy  
It's all around us too,  
Electrifying you  
So dare to set it free,  
This virtue is the key  
To something we all know  
And we all use

I can feel it's inside me  
Open up enlighten me!

Energize me with a simple touch  
Or with an open heart  
Energize me, fire up this flame  
That's burning between us  
Energize me with a simple smile,  
Open up your mind  
Energize me, activate the light  
That's given and taken

Can you believe in the power that's burning between  
us?

Would you believe if you open up your mind, open up  
your heart?

Energize me with a simple touch  
Or with an open heart  
Energize me, fire up this flame  
That's burning between us  
Energize me with a simple smile,  
Open up your mind  
Energize me, fire up this fire  
That's burning forever
