This songs dedicated
To my homiez in that gangsta lean
Whyd you have 2 go so soon
It seems like yesterday
We were hangin round da hood
Now im gonna
Keep you memory alive
Like a homie should

A lifetime of memories
Going down the drain
Id like to keep steppin
But I cant get past the pain

I tip my 40 to your memory
Take a drink, and I
Stop to think, and I
I know one day soon
We'll be, we'll be hangin out

CHORUS

This is for my homies
This is for my homies, well well
See you when I get there
In that gangsta lean, that gangsta lean
This is for my homies
This is for my homies, well well
See you when I get there
In that gangsta lean, that gangsta lean

My god, my god
Could you pass on a message from me
Tell him put down those dice for a second lord
Listen to his homie
Could you tell him
Ill never let go of his memory
So his son will know
You dont have to cry no more
Coz Gods got his back, I said Gods got his back

A lifetime of memories

Going down the drain
Id like to keep steppin
But I cant get past the pain

I tip my 40 to your memory
Take a drink, and I
Stop to think, and I
I know one day soon
We'll be, we'll be hangin out

CHORUS

This is for my homies
This is for my homies
See you when I get there
In that gangsta lean, that gangsta lean
This is for my homies
This is for my homies
You know I miss you, You know I miss you, my homie
See you when I get there
In that gangsta lean, in that gangsta lean

This song is decicated to homies in that gangsta lean
Tommie from masters touch
My boy Ybei
And my boy Eibere
And whoever else out there
Thats gotta homie thats in a gangsta lean
And also my boys in the Penn
That aint ever gonna see the street again
Coz you know what
It dont matter what they was doing while they was here
They couldve been bangin, slangin
But they aint here no more
And thats somebodys daddy
Somebodys baby, thats somebodys homie
So go on and let Å©m rest while they in that gangsta

You know what Im sayin
Thats on the real low

This is for my homies
I cant believe that your gone
See you when I get there
I'll see you, I'll see you, I'll see you

This is for my homies
Now that your in that gangsta lean, well well well
See you when I get there
Im so sorry your gone but I've got to keep on
(This is for my homies)

I gotta keep movin, movin, movin, movin
(See you when I get there)

One day, someday, homie someday

This is for my homies
