put on that dress i'm going out dancing starting off red
clean and sparkling he'll see me music play make it
dreamy for dancing must be a way that i can dress to
please him it's hard to walk in the dress it's not easy
i'm swinging over like a heavy loaded fruit tree
- if you put it on
it's sad to see lonely all this lonely close up my eyes
dreamy dreamy music make it be alright music play
make it good for romancing must be a way i can dress
to please him swing it sway everything 'll be alright but
it's feeling so tight tonight

-"you purdy thang" my man says
"but i bought you beautiful dresses"

filthy tight the dress is filthy i'm falling flat and my
arms are empty clear the way better get it out of this
room a fallen woman in dancing costume
