You Know  
Yeah  
Its Akon Man  
My Man 'P'  
Its the magic city baby  
Yo i think we got one on this one  
So when them haters, wanna scream my name  
Let them keep on callin'  
And they wasnt supporting us before then they wanna  
scream now  
Let them keep on callin'  
We just goin let them keep on callin' baby  
Just keep callin'  
So keep on callin'  
For all our supporters  
y'all know y'all can just keep callin' as long as you want  
Keep on callin'

I used to be up on the corner all day tryin to figure out  
whats goin to get me out there  
dope dealin and huggin the block ,i done found out  
damn goin get me no where  
i used to keep a 9 milli for protection just incase a ni\*\*a  
wanna take my brain  
then the voice came down from the sky and said Akon  
use your head,  
i have to reevaluate my thoughts and think about what  
got me this far,  
i have to keep a strong faith and believe in know one  
day id be a star,  
but i knew that it wouldnt come easy (come easy)  
seen a whole lot of of hate and believe me (believe me)  
Despite all the bullsh\*t we have to still work hard (To  
get to where we are)

When you hear them callin' out Akon  
Let them keep on callin'  
When you hear the world callin' out P Money  
Let them keep on callin'  
Cause we went through hell and back to get here  
So them keep on callin'

Let me hear ya now, let me hear ya now  
Let me hear you just keep on callin'

Senegal West africa to New Zealand (New Zealand)  
Bless to have the gift to make music with meaning  
(With meaning)  
Cuz I never thought id come this far with a man tran  
and a fancy car,  
never thought success would come this quick in the  
begginning (but ive seen it)  
And all along im sittin here thinking its harder when  
you came from the hood(Came from the hood)  
When all i had to do was put my mind to it and realise  
that it was all good (It was all good)  
cause once i got rid of what held me down i best  
believe i wasnt turning back,  
i had to keep on moving and keep on grooving right  
here on this P Money track  
and so

When you hear them callin' out Akon  
Let them keep on callin'  
When you hear the world callin' out P Money  
Let them keep on callin'  
Cause we went through hell and back to get here,  
so let them keep on callin'  
Let me hear ya now, Let me hear ya now  
Let me hear you just keep on callin'  
Keep on callin', Keep on callin'
