It's Howdy Doody time!

Howdy, Howdy Doody
It's great to have you back again
Howdy, Howdy Doody
We're glad to see you brought your friends

Hey there's Mr Bluster and Clarabelle
And When Buffalo Bob gives the sign
We'll all join in and start to yell
It's Howdy Doody Time

Howdy, Howdy Doody
We knew you wouldn't let us down
Oh Howdy, Howdy Doody
You're so much fun to have around
Well here's Dilly Dally and Flubadub
And Princess Summer-Fall-Winter-Spring
And don't forget to watch Chief Thunderthud
Cause he's going to pull some strings

Oh Howdy, Howdy Doody
You're no longer just a memory
Howdy, Howdy Doody
Well we'll see you in the Peanut Gallery

Do you know what time it is
It's Howdy Doody time!
Do you know what time it is
It's Howdy Doody time!
Do you know what time it is
It's Howdy Doody time!

Ah Howdy, Howdy Doody
Yes it's great to have you back again
Ah Howdy, Howdy Doody
We're glad to see you brought your friends
Ah Howdy, Howdy Doody
Oh Howdy, Howdy Doody
Hey Ah Howdy, Howdy Doody
