I really really like it ehh
Forever forever
I like it I really really like it

Oh baby
Everyday na story
They never treat you like a lady
I wish I was your man
I wish I was your man maybe
Any time you're lonely
Can I be the one you calling
I hope you understand
Please take my hand and go with me my love

If you are my girl
I'll take you around the world
I'll take you places where you've never ever been
before
So give me your hand,
I'm giving you my word
I promise I'll be loving you

Forever and ever
I love you forever
I'm giving you my word
I like it I really really like it
If you are my girl
I'll take you around the world
I like it I really really like it

Forever Forever
I like it I really really like it
Forever Forever

So let me be the one and only
Can I be your friend and homey
I'll be a better man
I'll be a better man I'm ready
Got no time for stories
No time to be acting funny
And I hope you understand

I will give you no regret
And I swear

If you are my girl
I'll take you around the world
I'll take you places where you've never ever been
before
So give me your hand,
I'm giving you my word
I promise I'll be loving you

Forever and ever
I love you forever
I'm giving you my word
I like it I really really like it
If you are my girl
I'll take you around the world
I like it I really really like it

Forever Forever
I like it I really really like it
Forever Forever

I I'm ready to be the one who will walk you down the
aisle
I I'm ready to be the one who will wipes the tears on
your eyes
I I'm ready I see the future in you and I
Just you and I
If you are my girl

If you are my girl
I'll take you around the world
I'll take you places where you've never ever been
before
So give me your hand,

Forever and ever
I love you forever
I'm giving you my word
