CHORUS

I dey miss you die
I dey beg you
Make you try to understand
There's no one like you
And I wonder why
Why it is any time I dey with another person
I dey think about you
Now I realise
I dey think about you everyday
I truly no get anything to say
I really think I'm going insane

VERSE 1

I never know that you are so beautiful
And incredible
When I close my eyes
I see your picture so unbelievable
And irreplaceable

HOOK

How could I let you go
Let you walk out the door
Girl I'm all alone
When are you coming home
I wanna know
Don't wanna let you go
Make someone please
Bring you back to me

REPEAT CHORUS

VERSE 2

I dey miss you die
Now I done realize
I'm sorry for the heartless things I did
Baby all the pains I bring
Forgive me girl
I never meant to touch you
I was made to love you
And I wish I could bring you back
Now, I'm on my own

I'm standing all alone
Standing at that door
Hoping you come back
If na this love be wetin I need
Then na which kind mistake be this

REPEAT HOOK

REPEAT CHORUS

My baby girl I miss you die
Don't you know I need you back
How can I make you mine
I dey miss you die
When I hold you tight
Everyday and everynight
Now I done realize
That I need you back
And you know say me I no dey lie
Doooh ooooh
