VERSE 1

Hello, how're you doing

My angel, my one and only

The only one that I'm missing

Wey dey bring me joy and blessings

You know, that I love you

And I can't wait to say I do

But before we walk down the aisle

I just wanna let you know that

HOOK

You are the finest

Na you be the finest being I've ever seen

You are the brightest

The way you dey shine, you dey bling like queen

You are the highest

When it comes to rating, you're the lead

My princess, my only one lover

Girl, I just wanna let you know that

CHORUS

No one be like you

See I done go different places, I've seen many faces

No one be like you

So they cannot replace you cos you are a blessing

No one be like you

You're driving me crazy cos you are my baby

No one be like you

No one, no one like you [one like you]

No one, one like you [one like you]

No one, no one

VERSE 2

About a year ago

Before I met you

Girl, there was no possibility for me to be rescued

But thank God I found you [girl]

I cannot do without you

Na since I dey go different places, I've seen many faces

I cannot replace you

But you add again many blessings

Girl, you are my life

REPEAT HOOK

REPEAT CHORUS

That's why we say ay ay ay

Oi eh eh eh eh (x3)

Oi eh eh eh eh [no one like u](X3)

Oi eh eh eh eh

No one, no one

VERSE 3

Girl, you are the finest

Girl, na you be the finest I've ever seen

The way you dey shine, you dey bling like queen

When it come to rating, you're the lead

My princess, my only one mother

Girl, I guess it's time to let you know that

No one be like you

So many things

So many things

Everything

Without you

There's no possibility

There's no positivity

Always negativity

Thank god I found you

You are my everything

You are my destiny

This is reality, eh eh

Oi eeeeh eeeeh (x4)

Oi eh eh eh eh [eh eh] (x5)

Oi eh eh eh eh [oi eh] (till fade)
